1.  The amendment filed on 10 November 2009 under 37 CFR 1.312 has been considered, and has been:

- a)  entered.
- b)  entered as directed to matters of form not affecting the scope of the invention.
- c)  disapproved because the amendment was filed after the payment of the issue fee.  
Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.
- d)  disapproved. See explanation below.
- e)  entered in part. See explanation below.

The amendment filed 11/10/09 proposes to claim priority to application 60/425189, which is asserted to have been filed on 11/14/02. However, application 60/425189 was filed on 11/12/02, and more importantly, bears no relationship to the instant application. A priority claim to application 60/426189 is probably intended instead.
